RE: FOIA REQUEST re Records associated with Phase I ESA "Arctic Slope Telephone Association Cooperative Lease Lot, Barrow, Alaska" dated September, 2015.

Dear Sir or Madam:

This FOIA request has been prepared for upload via FOIA Online

By this letter the undersigned submits this request for agency records pursuant to the Freedom of Information Act of 1966, as amended, 5 USC 552. We request copies of, and/or the opportunity to inspect, all records in your custody and control, regardless of format, medium, or physical characteristics, and including electronic records and information, audiotapes, videotapes and photographs, that relate to the following document:

The Phase I Environmental Site Assessment performed by Ecology and Environment, Inc. for EPA Region 10 at the Arctic Slope Telephone Association Cooperative Lease Lot, Barrow, Alaska, dated September, 2015. [This document has been identified with the reference: Technical Direction Document Number 15-05-0002.]

And more specifically, the following types and categories of records that support or were associated with the above document:

- Field notes
- Boring logs or test pit logs of soils and conditions
- Sampling protocol and procedures (including the Sampling and Analysis Plan)
- Analytical Results from the laboratory
- QA/QC procedures
- Qualifications of person(s) who conducted the ESA
- All photographs taken by Ecology and Environment, Inc. in support of the subject Phase I ESA, but which were not included in the subject Phase I ESA.

Attached to this letter are site photographs, with references to page numbers in the subject Phase I ESA where they appear.

We look forward to working with you regarding this request. Please contact me if you have any questions regarding this request. We are especially available to consult with you if narrowing the request can reduce the burden to your office and expedite processing the request. Finally, please let us know if this request will exceed \$250. Thank you.

Sincerely,
